Skims Slam Dunks into the Limelight: Named Official NBA Underwear Partner

McDonald's and Crocs fans have buzzing about their newest collaboration. Inspired by Crocs Stars™ and Mickey D's loyalists, the collab will drop with a full line of shoes, socks and Jibbitz™ charms. This limited edition collection features McDonald's characters, Grimace, Birdie, and Hamburglar. These shoes are designed to give consumers a way to live out their bold fandom every day.

### Monos x Magnolia Bakery

Monos has restocked their collection with Magnolia Bakery just in time for the holiday travel season. This limited edition collection features two pastel colors inspired by NYC bakery's most popular desserts. There is a pastel yellow inspired by Magnolia Bakery's famous banana pudding and a lavender color-way inspired by Magnolia's purple icing and cupcakes.

### Dr. Martens x Supreme

Dr. Martens and Supreme have reunited for another collaboration. This time around, the New York imprint has reimagined the iconic British footwear brand's Ramsey Creeper style. The uppers of the shoe are constructed of suede and metallic leather with tonal stitching, black trim, and, toebox detailing. The shoe includes an debossed Supreme logos at the heel and co-branding printed insoles.
